

Yukari Collection

The Yukari Collection transforms traditional scenes from nature into striking fantasies. The Hydrangea design features the combined beauty of the Togidashi Maki-e technique with the brilliance of multi-colored abalone shells in Raden lacquering style. The Nightline Moonlight pen combines Raden lacquering with Roro-Urushi finish. A must for fountain pen enthusiasts, designs come with 18 karat gold fine, medium and broad nibs with 18 karat gold clips. A traditional oriental wood gift box with bottled ink completes this striking presentation.
